

Cattle Control & Cowboy Day Work

June 12 - 13 BARNES RANCH

www.barnesranch.com

Saturday – Cattle Control & Practice (indoor arena)

Sunday – Cowboy Day Work (outdoors on the ranch)

Round up cattle, drive them through the trees, over the seasonal creek, up and down hills to the open pasture, and drive the cattle “home”.

No prior cattle experience necessary. In a safe, “real-life” format, Jeff & Gerrie Barnes, experienced VRH clinicians, will guide you through the maneuvers to effectively handle cattle. With plenty of time to practice, the rider will gain experience, skills, and confidence. OPEN TO ALL AGES, BREEDS, AND SKILL LEVELS.

\$199 per rider for two days, two clinicians, the facility, cattle, Saturday night on-site BBQ. Bring your own lunches, snacks, and drinks.

Outside stalls available = \$15 per night which includes stall stripping.

Stay on-site in your self-contained trailer (no electric hookups) or go to our website and click on the “Lodging” button
