**Form must be signed by OWNER for the horse to be eligible for this race.
 By signing I agree to all conditions on the front and reverse side of this nomination form.**

Any horse which ran in a trial, elimination or qualifying race for entry into a final from which a positive test sample was collected and confirmed by the State Racing commission's primary testing laboratory shall not be eligible to run in the finals. The horse that ran next in line by qualifying criteria would advance. This shall not apply to an overage of an authorized medication where the violation would not result in a loss of purse.

**La forma se debe firmar por OWNER para que el caballo sea elegible para esta raza.
 Por firmando mí convengo todas las condiciones en el dorso delantero y de esta forma del nombramiento.**

Ningún caballo que funcionara en un ensayo, una eliminación o una raza calificativa para la entrada en un final de el cual una muestra positiva de la prueba fue recogida y confirmada por el estado que competía con el laboratorio de prueba primario de la comisión no será elegible funcionar en los finales. El caballo que funcionó después en línea calificando criterios avanzaría. Esto no se aplicará a un overage de una medicación autorizada donde la violación no daría lugar a una pérdida de monedero.
