Kitty Bar Ota
3820005

** NOTES:** Kitty Bar Ota is double registered AQHA/FQHR. He has great conformation, feet and bone, plus lots of eye appeal. He’s a handy sized horse than has been used for all the ranch chores and has seen more outside miles than most. I’ve used him for ranch rodeos and ropings. He is a good traveler and has been ridden by novice riders on the trail. This past summer he was shown at a Foundation Quarter Horse Registry show in Co and won the Ranch Horse Pleasure and brought home two buckles. This extremely versatile horse is really broke. He’s gentle enough for the trails yet responsive enough for the arena.

NOTES: Gay Doc Budha Bar is a quiet well bred flashy buckskin gelding that is broke to death. He will do anything you ask of him. Great handle and a fantastic stop makes him an excellent ranch versatility prospect. He has been used for all phases of ranch work. Ridden extensively in the mountains and a pleasure to ride in the arena. He has no holes and has been ridden on extreme cowboy courses, including obstacles like a teeter totter bridge, tunnels made from tarps, deep mud holes, log dragging and curtain walls. I have spent lots of time shooting off him and he has been quiet since the first shot. Stop by his stall and watch his video.

NOTES: The Game Rooster has been in training with us for 3 years. In that time we
have shown him in AQHA shows and he has produced 2 crops of foals. His
oldest will be two this year. Zack is a very talented horse in the show pen and
sells 100% sound to ride and breed. He will make a great show horse for
anyone, open or non-pro. We have shown him in freestyle bridleless and he'll do
the pattern quiet and slow. This is a rare opportunity to buy a great proven
show horse. He has been a great friend to all of us here at the barn and we hate
to see him go but his owner is in his 80's and he's cutting back on his herd. We
have many promising colts sired by him and look forward to training them. View

Lots of ride around to this gelding and he will be the same everyday. Gorgeous dapple buckskin color. He has a big stop, plus spins, awesome circles and travels well balanced and smooth. He is also great on the trails. Our boys 12 and 14 have ridden him along the highway, to town and down to the timber. **NOTES:** Dirty Rockin Blond is a horse the whole family will enjoy. He is just adorable, golden yellow with more shape than you see in most halter classes. Don’t worry about going out to catch him because he will find you. Rocky rides very nice and is extremely gentle. Our 12 year-old boy was the first to ride him when Rocky was just 2. Since then he has had a lot of riding indoors and out. He has been ridden in pastures, on trails, along the highway with traffic and handles everything well. Smooth, easy traveler with a big stop and handy turn around. Sound, sane with no vices. Up to date on shots.

NOTES: Jacks Blue Rose is an honest 16.3 hand with lots of bone. He is truly one of a kind in all aspects. He is dog gentle, loves attention and always has a laid back easygoing disposition. Rides real nice, level headed, lopes good circles and will do whatever you ask of him. He doesn't get spooked or rattle easily. Been on many trails and will go wherever, as nothing bothers him. We have started throwing a rope off him. You will fall in love with him. Rides bareback, or double. Always the same everyday. 100% sound.
