RULES GOVERNING ELIMINATION TRIALS AND STAKES FINALS:

Starters in the trials will be limited to horses that have started at meets approved by the American Quarter Horse Association or horses that meet the qualifying rules established by Arapahoe Park. There will be no refunds for horses that fail to meet these qualifications.

Each trial shall consist of not more than ten (10) horses. All Trial races will be run consecutively. No more than ten (10) horses shall be selected from the trials to participate in the Stakes. These horses shall be selected on a time basis. No Consolations.

The selection of horses for these stakes shall be on a time basis. Times of horses in separate trials will be determined only to the limit of the electric timer. No adjustments will be made in recorded time of Trials for headwind, rain, track condition, etc. Should a mechanical failure occur with the electric timers on any time trial, finalists from that time trial will then be determined by official hand timing, with stop watches operated by three (3) official, reputable and disinterested persons. The average of the three (3) hand times will be utilized for the winning time, unless one of the hand times is clearly wrong. In such case, the average of the two accurate hand times will be utilized for the winning time. If for any reason a tie exists related to the determination of the last qualifier, the horses involved shall draw lots to determine which shall participate in the stakes. Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 1/100th of one second or the limit of the electric timer. In the Trials, if a stall gate fails to open and the money wagered on the horse is refunded to the public, such horse will be declared a non-starter, and no liability will be incurred beyond refund of nominating, sustaining and entry fees, excluding the amount withheld for administration and advertising fees. Should a Trial race be declared a "no race" by the stewards, all horses in that trial shall be considered non-starters and not eligible for participation in the Finals. No liability will be incurred beyond refund of nominating, sustaining and entry fees, excluding the amount withheld for administration and advertising fees.

When possible and at the discretion of Arapahoe Park and under the rules of the Colorado Racing Commission if a qualifying horse is subsequently disqualified for any reason the trial horse with the 11th best qualifying time will move up to the 10th and final spot in the finals. If the 11th best Qualifier is unable to fill the spot, the 12th fastest time will be given the opportunity. This process will continue until the 10th spot in the final is filled.

In the running of the Stakes, if a stall gate fails to open, and money wagered on the horse is refunded to the public, such horse shall be declared a non-starter and classified as a scratched horse. In the running of the Stakes, if the stewards declare the race a "no race" and all the money wagered on the race is refunded to the public, all horses in the stakes will be considered non-starters and classified as scratched horses. The total amount of money in the stakes will be divided equally among the finalists and returned to them.

The decision of the Stewards in all matters shall be final and the entries are accepted only on the condition that those persons nominating and/or starting a horse in the Trials and/or the Stakes agree to abide by their decision. If any part of an entry is disqualified, it may disqualify all of the entry. The Stewards will review the videotape of each race for possible interference before posting the race OFFICIAL. All rules of the Colorado Racing Commission supersede any conditions of the race.
