

GOLD RUSH ATTENDEES RULES OF CONDUCT

I, the undersigned, understand that the following rules of conduct must be followed anytime I am present on the show grounds.

1. MASKS MUST BE WORN AT ALL TIMES! THIS INCLUDES IN THE BARN (EVEN WHEN AMONG FAMILY MEMBERS), WHEN WATCHING FROM THE STANDS, WHEN RIDING AND WHEN SHOWING. Children UNDER THE AGE OF 3 are the only exceptions to the above rule.
2. Everyone in the barns, paddock arena and show arena must practice SOCIAL DISTANCING, maintaining a 6' distance between themselves and others. If seated in stalling areas chairs must be spaced at least 6' apart.
3. There is to be no food set out for public consumption in the barns. Food is to be consumed in the "designated eating area" up on the entry concourse above the arena with tables and chairs. That area will be cleaned regularly with each table being re-sanitized after each use.
4. Those who repeatedly refuse to adhere to the above Rules of Conduct, or who are disrespectful to those charged with enforcing these rules will be asked to leave the premises and if applicable will forfeit all monies paid for stalls and shavings.
