Introduction

The Rocky Mountain Quarter Horse Youth Association (RMQHYA) is one of the oldest established and recognized Quarter Horse youth associations in the United States. Young Quarter Horse enthusiasts of all ages up to and including 18 years of age are welcomed.

Almost 100% of the RMQHYA activities are achieved through volunteer efforts. Youth and parents alike are encouraged to ask questions, participate, and learn more about what RMQHYA and its parent organization, RMQHA, have to offer.

The RMQHYA is managed by the youth through elected officers and directors from within its own membership. Oversight and direction from the Rocky Mountain Quarter Horse Association (RMQHA) Board of Directors, Youth Committee and the Youth Advisor is provided.

RMQHA approves more than 50 events annually, including horse shows, special events, educational opportunities, open show outreach and other activities throughout the year supplying many chances for you to learn about and enjoy your horse more than ever.

AQHVA World Show Qualification **National Qualification Level 3**

To qualify nationally, riders must earn a predetermined number of AQHA points in the event that they are interested in. At www.aqha.org, under membership services, exhibitors can find out how many points it takes to qualify for their event and level and find out how many points they have accumulated toward qualification. Points earned between May 1st, 2022 and April 30th, 2023 will count towards the 2023 World Championship Show. Once an exhibitor has earned the required number of points in an event to qualify nationally, AQHYA will mail the necessary entry forms and information. Youth eligible to attend the AQHYA World Show on a **NATIONAL INVITATION** are required to complete the forms and submit them to the Youth Advisor by **June 12th, 2023**. In addition to the completed forms, the Youth must meet the \$150 sponsorship requirement set forth below. (Note: National qualifiers are not required to declare but must be RMQHVA members).

ADEQUAN LEVEL 2 GUIDELINES.

Level point ranges are designed to group horses and riders with their peers of similar experience and points earned.

Classes are leveled by class and based on exhibitor records.

Level eligibility is based on both points and awards earned.

Level 2 is not available in boxing or jumping

- Horses placing in the top two in Level 3 classes are not eligible for Level 2 for the subsequent three years in that class, regardless of points earned in the past three years.
- Level 2 classes will have only one go-round that will be considered a final
- ½ the qualifying points of the corresponding Level 3 class will be all that is required
- If a horse/exhibitor combination has qualified in Level 3 for a class and is also Level 2 eligible, both entry forms will be sent, with entry fees for each class required to enter both.

- As for state entries, there will still be four (up to six) per class accepted in both Level 2 and Level 3
- Top ten and five finalist's placings will be put on the horse's permanent record; however, the title will not reflect the placing as a world show placing (for example: first place in Level 2 western pleasure will read "Level 2 Champion" and give the show date).

A horse may be shown in a Level 3 class by one sibling and in Level 2 of that same class by a different sibling, so long as all are properly qualified and eligible.

Following are class procedures:

- Placed classes – Level 2 hunter under saddle, western pleasure, showmanship, horsemanship and equitation on the flat will run separate from the Level 3 prelims
- Working hunter and hunter hack – Level 3 will have a work order and run first followed by Level 2 competitors with a different work order.
- Halter – Level 2 and Level 3 classes will be held concurrently, so that both classes will be shown at one time. If an exhibitor is eligible, he/she may enter both levels, but the horse will be shown only once.
- Team Penning and Ranch Sorting – Level 3 will have a work order and run first followed by Level 2 competitors with a different work order. If a team wants to ride in Level 2, all team members must be Level 2 eligible.
- Speed events (barrel racing, pole bending, stake race and breakaway roping):
 - Same horse entered in both levels ridden by the same rider can roll over their time or take two runs. *This must be declared at the time of entry.*
 - Horses entered only in Level 2 will have their own work order and run after the end of the Level 3 prelims.
 - Same horse entered in both levels ridden by different riders (declared at the time of entry); horse will run a second time in the Level 2 draw.

Scored events (equitation over fences, cutting, working cow horse, boxing, tie-down roping, heading, heeling, reining, western riding, trail and ranch riding):

- Same horse entered in both levels ridden by the same rider – Level 3 score will roll over and be counted also as the Level 2 score for the Level 2 placing.
- Horse entered only in Level 2 will have their own work order and work after the end of the Level 3 prelims.
- Same horse entered in both levels shown by different exhibitors – horse will work a second time at the end of the Level 2 finals.

If a horse is entered in both Level 3 and Level 2 and shown by the same exhibitor, that horse will be drawn in the Level 3 working order and shown only once. These dual entries will be depicted on the Level 3 work order with an asterisk.

Dual entries will show as part of the Level 3 work order, but the score will also count in the Level 2 part of the class; therefore, when the Level 2 work order is drawn, the dual entries will appear at the bottom of the Level 2 order with an asterisk but will not show again.

If a horse is entered in Level 3 with one exhibitor and in Level 2 with a different exhibitor, that horse will work twice, once in the Level 3 work order and once in the Level 2 work order.

If needed, shootouts will occur only in Level 3 classes and will be held after the corresponding Level 2 class, with Level 2 awards being presented after the shootout.

b. All exhibitors intending to qualify in an event or events must declare such intent in writing no later than **April 1st, 2023** for Level 3 and for Level 2 (**postmarked**). A Declaration Form must be completed and returned specifying each class, level and age group that the exhibitor and horse combination intend to qualify in along with a check made payable to RMQHYA in the amount of \$10.00 for each class and level declared. All those declaring must have an RMQHYA Membership by June 1st of the year of qualification.

c. If state spots are available following the April 1st Declaration deadline for any Level 3 event(s) a youth may declare late for an increased declaration fee of \$50.00 per event and by filling out an application reviewed by the youth

committee that that states why the youth is declaring late and their involvement within RMQHYA. In the instance of multiple applications and limited spots or ties the committee will first go to the greatest number of state points in that event and then to number of youth meetings attended. **NO LATE DECLARATION APPLICATIONS will be accepted after JUNE 15th, 2023 and no substitutions will be allowed.**

d. The exhibitor will be allowed to use his/her six (6) best placings in each respective event. Except as previously stated in #2 above, there is no minimum number of times the exhibitor must show to be eligible; it is done strictly on a point basis using no more than six (6) shows. The top four (4) horses (or up to six) in each event in both Level 2 and Level 3 will represent RMQHYA at the AQHYA World Championship Show. An alternate entry will be picked on the same basis. Any RMQHYA members receiving National invitations will represent RMQHYA in addition to the top four (4) riders/horses qualifying in through the state.

e. On qualifying days, if a class is split into age divisions (13 & under and 14-18), the show management will offer an 18 & under qualifying class. The youth must show in both the qualifying class and the corresponding age division class in order for their points to count towards AQHYA Youth World Show qualifying. The five (5) classes include: Showmanship, Hunter under Saddle, Western Pleasure, Horsemanship and Equitation. In the event the Youth shows in a qualifying class and elects not to show in the corresponding age division class, an entry fee for the corresponding class will still be incurred. The RMQHA scratch policy will not apply to qualifying and corresponding age division classes

f. All points will remain on a one-horse/one-rider basis. Contestants in the top nine (9) will be given one point for each exhibitor placing below him plus one point up to a maximum of nine (9) points.

Example: If there are 12 horses in the class, the 1st place horse will receive 9 points, 2nd place will receive 8 points, etc. through nine (9) placings.

g. In case of a tie, the youth winning the highest number of first places will be selected followed by the highest number of second place awards.

h. All State and National Qualifiers must be current members (as of June 1st of year of qualification) and in good standing with RMQHYA.

i. Any appeals regarding qualifiers must be made in writing to the Youth Advisor or the RMQHA office AND be received on or before June 25th. The final decision is to be made by the Show and Performance Vice-President.

j. Once qualified, each team member will be responsible for obtaining a \$150 sponsorship (this is per youth)!

Sponsorship money is due with entries.

***Note:** The sponsorship money will be used for stall decorations, T-shirts and beverages throughout the show. The sponsorship form is located at the back of the Youth Guide and is available online.

k. These qualifying rules will remain in effect for the 2022 and 2023 show seasons (to be reviewed at the RMQHA 2023 Convention in January 2023).
